

Rehabilitation Therapy Management Policy - 2026

Document ID	REHAB-2026
Plan Type	Multiple Plans
Effective Date	2026-01-01
Policy Domain	Rehabilitation
Status	Active

SECTION 1: SCOPE

This policy covers physical therapy, occupational therapy and speech therapy services. Plan-specific benefit documents determine visit thresholds and exclusions.

SECTION 2: PLAN-SPECIFIC PHYSICAL THERAPY THRESHOLDS

For Gold PPO members, prior authorization is required beginning with physical therapy visit 11. For Silver HMO members, prior authorization is required beginning with physical therapy visit 7.

SECTION 3: CONTINUED THERAPY REVIEW

Requests for visits beyond the no-authorization threshold should include the diagnosis, baseline functional status, progress toward measurable goals, treatment frequency and expected duration.

SECTION 4: MEDICAL NECESSITY

Continued therapy must demonstrate measurable functional improvement or a documented maintenance need allowed by the member's benefit plan. Services that are solely custodial are not covered.

SECTION 5: DOCUMENTATION

Clinical documentation must support the services billed and should be available for utilization review or post-payment audit.

Training note: This document is synthetic and created only for AI/RAG training.
